WE DO **CUSTOMIZATION** & NEW PRODUCT DEVELOPMENT

Your Ideas | Our Sensor Technology
Brighter Possibilities Together

*From
Your Idea
to Reality*

1 

Detection Range

Customize detection range as per your requirement.

2 

Delay Time

Adjustable delay time as per application.

3 

As per Application

Motion sensors available from
2.5GHz to 24GHz.

4 

New Product Development

Any new product you want in sensor,
we can develop it for you.

5 

OEM Available

We can do OEM in your brand.
